REGION 5 DELEGATIONS MANUAL

Purpose. This transmittal provides material for the Region 5 Delegations Manual.

Explanation. This revised Region 5 delegation authorizes the Superfund Division Director to exercise information request and inspection authority under the Clean Air Act for stationary sources subject to the requirements of Section 112(r), and the General Duty Clause of the Clean Air Act. This revised delegation also has been updated to more closely mirror the provisions of the current Headquarters Delegation 7-8, which became effective on May 11, 1994; the old regional delegation was developed in 1986. There has been no change to the authorities granted to the Air and Radiation Division Director or the Regional Counsel, although reference to the former Environmental Services Division has been deleted.

Filing Instructions. Post receipt of this transmittal on the checklist of EPA transmittals in the Region 5 Delegation Manual.
